

From the Desk of
Mike McCosh
 Head Coach
 Plymouth South Panther

Thank you for sponsoring our team.

While other teams are able to raise funds for equipment or warm up suits our lacrosse student athletes and their parents are forced to raise money each year for the basic requirements of a sports program.

Many leaders are developed from student athletes and many more excel in the classroom when they are involved with high school sports.

Their success with balancing school and sports has much to do with the positive influences of the important people in their lives, like you.

Plymouth South Panthers

Thank you so much, for helping my lacrosse team.

Dear Friends & Family,

My Coach asked everyone on our team to create a list of important people in our lives. I hope you don't mind that I included you.

If you could sponsor my team with a donation of \$25 or more it would go a long way to ensuring we can play next season.

Here is why: Each of us is trying to raise \$200 so that together we can raise enough money to fund our lacrosse program next season. You see, the lacrosse Program at my high school is not funded by our town. All of the money for coaches, buses, referees and uniforms has to be raised by our parent group, Plymouth High School Lacrosse Fundraising Committee, Ltd. None of the money goes for extra things.

Due to the generous donations of people like you we were able to fund our Varsity and Junior Varsity Programs for this year! We know that it can be awkward to ask for support these days but our parent organization really has their work cut out for them. Each year they need to raise approx \$35,000 to field both the boys and girls programs at our high schools. In addition to our fundraising our parents also pay user's fees to the town.

I also want you to know that at the great school I attend we never forget that "student" comes first in "student athlete". We are hard-working students and dedicated athletes. The confidence you express through your support will have a huge impact on our success.

This season my team is hoping to achieve an Atlantic Coast League Championship. Your support can help us to achieve our goal beyond this season.

Thank you for believing in my teammates and me. I will do my best to make you proud of me on and off the field.
