Help our North & South High School Lacrosse Athletes keep their program alive.

The 9th Annual Golf Tournament is scheduled for
 Sunday, June 12th at 1:00 - Southers Marsh Golf Course

Dear

Thank you for your support last season. Your generous contribution enabled us to field teams at both schools. This year the student athletes need your help again. This year we are expanding the exposure of our golf tournament sponsors to include advertisement on our website as part of your sponsorship donation. We are starting our campaign for sponsors early this year to provide you with exposure even before the lacrosse season begins and continuing through the year. We can even link your ad to your website, all at no additional cost. It is our way of saying thank you to our supporters.

Participation in our lacrosse programs doubled last year with the required split of the two schools. Approximately 180 student athletes played lacrosse in our high schools in 2010 and this year promised to draw an even larger group. With the amazing increased interest in lacrosse the program has a phenomenal future in Plymouth but we must find a way to raise \$42,000, to have all of these teams each spring. The town does not fund this program in any way.

It is the sole purpose of the Plymouth High School Lacrosse Fundraising Committee, Ltd., a 501(c)3 charitable organization, formed by the parents, to raise all of the funds required to pay coaches salaries, provide transportation, cover uniform costs and pay for referees.

The golf tournament is our major fundraising event. We are looking to our past sponsors and new sponsors for support. **Please review the sponsorship forms attached.** In addition to Tournament and Tee sponsors, raffle prizes and silent auction prizes are needed. We raise a considerable amount of money at our tournament with raffles and silent auction items.

If you can also join us for golf or dinner you will find that this is a great time and you can further help us to support our kids in their love of lacrosse. Registration forms are also available on the website or through any board member. Visit our site at www.plymouthhighschoolax.com or email us at shellmay1@comcast.net.

Without help from our supporters, this program would not exist.
